

G6 - Criterion A- Knowing and Understanding

Due: Sunday, September 22, 2024 on ManageBac

Summative Assessment: Values Poster

Goal: Create an informative and visually engaging poster that explores the concept of one of the values: Sportsmanship, Participation, On-time and On-Task, Respect, Teamwork, and Standing Strong (Resilience) in the context of sports and physical activities.

Role: You are a student in the IB MYP Physical Education and Health class, tasked with creating a poster that reflects your understanding of the values above and its significance in sports and physical activities.

Audience: Your poster will be displayed in the school's gymnasium for all students, teachers, and visitors to see, promoting the importance of values from above in physical education.

Situation: The school believes in the importance of values in promoting a positive and inclusive environment in physical education.

Product: Design a visually appealing and informative poster about one of the values that students of all ages can understand.

Standards (Criterion A - Strands 1, 2, and 3):

Strand 1: Investigating movement

Strand 2: Planning for performance

Strand 3: Applying and performing

Due:

Criterion A

Rubric: Value Poster Assessment
