

Physical and health education assessment criteria: Year 1

Criterion A: Knowing and understanding

Maximum: 8

At the end of year 1, students should be able to:

- i. outline physical and health education-related factual, procedural and conceptual knowledge
- ii. identify physical and health education knowledge to describe issues and solve problems set in familiar and unfamiliar situations
- iii. apply physical and health terminology to communicate understanding.

Achievement level	Level descriptor
0	The student does not reach a standard described by any of the descriptors below.
1–2	The student: i. recalls some physical and health education factual, procedural and conceptual knowledge ii. identifies physical and health education knowledge to outline issues iii. recalls physical and health terminology.
3–4	The student: i. recalls physical and health education factual, procedural and conceptual knowledge ii. identifies physical and health education knowledge to outline issues and suggest solutions to problems set in familiar situations iii. applies physical and health terminology to communicate understanding with limited success.
5–6	The student: i. states physical and health education factual, procedural and conceptual knowledge ii. identifies physical and health education knowledge to outline issues and solve problems set in familiar situations iii. applies physical and health terminology to communicate understanding.

Achievement level	Level descriptor
7–8	The student: i. outlines physical and health education factual, procedural and conceptual knowledge ii. identifies physical and health education knowledge to describe issues and solve problems set in familiar and unfamiliar situations iii. applies physical and health terminology consistently to communicate understanding.

Notes for criterion A
• Criterion A must be assessed in non-performance/non-playing situations. • Criterion A can be assessed only through written or oral tasks.

Criterion B: Planning for performance

Maximum: 8

At the end of year 1, students should be able to:

- i. identify goals to enhance performance
- ii. construct and outline a plan for improving physical activity and health.

Achievement level	Level descriptor
0	The student does not reach a standard described by any of the descriptors below.
1–2	The student: i. states a goal to enhance performance ii. states a plan for improving physical activity and health.
3–4	The student: i. defines a goal to enhance performance ii. outlines a basic plan for improving physical activity and health.
5–6	The student: i. lists goals to enhance performance ii. outlines a plan for improving physical activity and health.
7–8	The student: i. identifies goals to enhance performance ii. constructs a plan for improving physical activity and health.

Notes for criterion B

- Criterion B can be assessed through units that require students to inquire and plan. Examples include: composition of aesthetic movement routines (such as gymnastics, dance, sport aerobics, martial arts), fitness training programmes, coaching programmes, game creation and laboratory investigations (such as fitness, skill acquisition, energy systems).

Criterion C: Applying and performing

Maximum: 8

At the end of year 1, students should be able to:

- i. recall and apply a range of skills and techniques
- ii. recall and apply a range of strategies and movement concepts
- iii. recall and apply information to perform effectively.

Achievement level	Level descriptor
0	The student does not reach a standard described by any of the descriptors below.
1–2	The student: i. recalls limited skills and techniques ii. recalls limited strategies and movement concepts iii. recalls limited information to perform.
3–4	The student: i. recalls some skills and techniques ii. recalls some strategies and movement concepts iii. recalls some information to perform.
5–6	The student: i. recalls and applies some skills and techniques ii. recalls and applies some strategies and movement concepts iii. recalls and applies some information to perform effectively.
7–8	The student: i. recalls and applies a range of skills and techniques ii. recalls and applies a range of strategies and movement concepts iii. recalls and applies information to perform effectively.

Notes for criterion C

- Criterion C must be assessed in **performance/playing situations**.
- A student's ability to recall and apply **skills and techniques** could include: accuracy, efficiency, control, coordination, timing, fluency, speed and power.
- A student's ability to recall and apply **strategies and movement concepts** could include: the use of space, force and flow of movement and adaptation to various situations.
- A student's ability to recall and apply **information** to perform effectively could include: reading the situation, processing information, responding to feedback and making appropriate decisions. Depending on the nature of the activity, these sorts of characteristics should be considered.
- Criterion C is not appropriate for assessing replication of movement routines and umpiring/refereeing.

Criterion D: Reflecting and improving performance

Maximum: 8

At the end of year 1, students should be able to:

- i. identify and demonstrate strategies to enhance interpersonal skills
- ii. describe the effectiveness of a plan based on the outcome
- iii. describe and summarize performance.

Achievement level	Level descriptor
0	The student does not reach a standard described by any of the descriptors below.
1–2	The student: i. identifies a strategy to enhance interpersonal skills ii. identifies the effectiveness of a plan iii. outlines performance.
3–4	The student: i. identifies strategies to enhance interpersonal skills ii. states the effectiveness of a plan iii. describes performance.
5–6	The student: i. identifies and sometimes demonstrates strategies to enhance interpersonal skills ii. describes the effectiveness of a plan iii. outlines and summarizes performance.
7–8	The student: i. identifies and demonstrates strategies to enhance interpersonal skills ii. describes the effectiveness of a plan based on the outcome iii. describes and summarizes performance.

Notes for criterion D

- Criterion D is appropriate for assessing personal and social development in sports/performance leadership and officiating.
- This criterion is not appropriate for assessing plans for learning how to demonstrate isolated skills. For example, criterion D is not used to assess a student's plan for demonstrating an isolated skill such as tackling in rugby. However, it is appropriate to assess the effectiveness of a plan for improving defensive performance in rugby by developing a range of skills, strategies and techniques. In this situation, the student may plan to improve multiple areas such as strength, speed, cardiovascular fitness, tackling technique or formation in order to improve overall defensive performance.

Physical and health education assessment criteria: Year 3

Criterion A: Knowing and understanding

Maximum: 8

At the end of year 3, students should be able to:

- i. describe physical and health education factual, procedural and conceptual knowledge
- ii. apply physical and health education knowledge to explain issues and solve problems set in familiar and unfamiliar situations
- iii. apply physical and health terminology effectively to communicate understanding.

Achievement level	Level descriptor
0	The student does not reach a standard described by any of the descriptors below.
1–2	The student: i. recalls physical and health education factual, procedural and conceptual knowledge ii. identifies physical and health education knowledge to outline issues and suggest solutions to problems set in familiar situations iii. applies physical and health terminology to communicate understanding with limited success.
3–4	The student: i. states physical and health education factual, procedural and conceptual knowledge ii. identifies physical and health education knowledge to describe issues and to solve problems set in familiar situations iii. applies physical and health terminology to communicate understanding.
5–6	The student: i. outlines physical and health education factual, procedural and conceptual knowledge ii. applies physical and health education knowledge to describe issues and to solve problems set in familiar situations and suggest solutions to problems set in unfamiliar situations iii. applies physical and health terminology consistently to communicate understanding.

Achievement level	Level descriptor
7–8	The student: describes physical and health education factual, procedural and conceptual knowledge applies physical and health education knowledge to explain issues and solve problems set in familiar and unfamiliar situations applies physical and health terminology consistently and effectively to communicate understanding.

Notes for criterion A
• Criterion A must be assessed in non-performance/non-playing situations. • Criterion A can be assessed only through written or oral tasks.

Criterion B: Planning for performance

Maximum: 8

At the end of year 3, students should be able to:

- i. outline goals to enhance performance
- ii. design and explain a plan for improving physical performance and health.

Achievement level	Level descriptor
0	The student does not reach a standard described by any of the descriptors below.
1–2	The student: i. states a goal to enhance performance ii. outlines a limited plan for improving physical performance and health.
3–4	The student: i. lists goals to enhance performance ii. outlines a plan for improving physical performance and health.
5–6	The student: i. identifies goals to enhance performance ii. designs a plan for improving physical performance and health.
7–8	The student: i. outlines goals to enhance performance ii. designs and explains a plan for improving physical performance and health.

Notes for criterion B

- Criterion B can be assessed through units that require students to inquire and plan. Examples include: composition of aesthetic movement routines (such as gymnastics, dance, sport aerobics, martial arts), fitness training programmes, coaching programmes, game creation and laboratory investigations (such as fitness, skill acquisition, energy systems).

Criterion C: Applying and performing

Maximum: 8

At the end of year 3, students should be able to:

- i. demonstrate and apply a range of skills and techniques
- ii. demonstrate and apply a range of strategies and movement concepts
- iii. outline and apply information to perform effectively.

Achievement level	Level descriptor
0	The student does not reach a standard described by any of the descriptors below.
1–2	The student: i. recalls and applies skills and techniques with limited success ii. recalls and applies strategies and movement concepts with limited success iii. recalls and applies information to perform.
3–4	The student: i. demonstrates and applies skills and techniques with limited success ii. demonstrates and applies strategies and movement concepts with limited success iii. identifies and applies information to perform.
5–6	The student: i. demonstrates and applies skills and techniques ii. demonstrates and applies strategies and movement concepts iii. identifies and applies information to perform effectively.
7–8	The student: i. demonstrates and applies a range of skills and techniques ii. demonstrates and applies a range of strategies and movement concepts iii. outlines and applies information to perform effectively.

Notes for criterion C

- Criterion C must be assessed in **performance/playing situations**.
- A student's ability to demonstrate and apply **skills and techniques** could include: accuracy, efficiency, control, coordination, timing, fluency, speed and power.
- A student's ability to demonstrate and apply **strategies and movement concepts** could include: the use of space, force and flow of movement and adaptation to various situations.
- A student's ability to outline and apply **information** to perform effectively could include: reading the situation, processing information, responding to feedback and making appropriate decisions. Depending on the nature of the activity, these sorts of characteristics should be considered.
- Criterion C is not appropriate for assessing replication of movement routines and umpiring/refereeing.

Criterion D: Reflecting and improving performance

Maximum: 8

At the end of year 3, students should be able to:

- i. describe and demonstrate strategies to enhance interpersonal skills
- ii. explain the effectiveness of a plan based on the outcome
- iii. explain and evaluate performance.

Achievement level	Level descriptor
0	The student does not reach a standard described by any of the descriptors below.
1–2	The student: i. identifies strategies to enhance interpersonal skills ii. states the effectiveness of a plan iii. outlines performance.
3–4	The student: i. identifies and demonstrates strategies to enhance interpersonal skills ii. states the effectiveness of a plan based on the outcome iii. outlines and summarizes performance.
5–6	The student: i. outlines and demonstrates strategies to enhance interpersonal skills ii. describes the effectiveness of a plan based on the outcome iii. outlines and evaluates performance.
7–8	The student: i. describes and demonstrates strategies to enhance interpersonal skills ii. explains the effectiveness of a plan based on the outcome iii. explains and evaluates performance.

Notes for criterion D

- Criterion D is appropriate for assessing personal and social development in sports/performance leadership and officiating.
- This criterion is not appropriate for assessing plans for learning how to demonstrate isolated skills. For example, criterion D is not used to assess a student's plan for demonstrating an isolated skill such as tackling in rugby. However, it is appropriate to assess the effectiveness of a plan for improving defensive performance in rugby by developing a range of skills, strategies and techniques. In this situation, the student may plan to improve multiple areas such as strength, speed, cardiovascular fitness, tackling technique or formation in order to improve overall defensive performance.

Physical and health education assessment criteria: Year 5

Criterion A: Knowing and understanding

Maximum: 8

At the end of year 5, students should be able to:

- i. explain physical and health education factual, procedural and conceptual knowledge
- ii. apply physical and health education knowledge to analyse issues and solve problems set in familiar and unfamiliar situations
- iii. apply physical and health terminology effectively to communicate understanding.

Achievement level	Level descriptor
0	The student does not reach a standard described by any of the descriptors below.
1–2	The student: i. states physical and health education factual, procedural and conceptual knowledge ii. applies physical and health education knowledge to investigate issues and suggest solutions to problems set in familiar situations iii. applies physical and health terminology to communicate understanding with limited success.
3–4	The student: i. outlines physical and health education factual, procedural and conceptual knowledge ii. applies physical and health education knowledge to analyse issues and to solve problems set in familiar situations iii. applies physical and health terminology to communicate understanding.
5–6	The student: i. identifies physical and health education factual, procedural and conceptual knowledge ii. applies physical and health education knowledge to analyse issues and to solve problems set in familiar and unfamiliar situations iii. applies physical and health terminology consistently to communicate understanding.

Achievement level	Level descriptor
7–8	The student: i. explains physical and health education factual, procedural and conceptual knowledge ii. applies physical and health education knowledge to analyse complex issues and to solve complex problems set in familiar and unfamiliar situations iii. applies physical and health terminology consistently and effectively to communicate understanding.

Notes for criterion A
• Criterion A must be assessed in non-performance/non-playing situations. • Criterion A can be assessed only through written or oral tasks.

Criterion B: Planning for performance

Maximum: 8

At the end of year 5, students should be able to:

- i. develop goals to enhance performance
- ii. design, explain and justify a plan to improve physical performance and health.

Achievement level	Level descriptor
0	The student does not reach a standard described by any of the descriptors below.
1–2	The student: i. identifies goals to enhance performance ii. constructs a plan to improve physical performance and health.
3–4	The student: i. outlines goals to enhance performance ii. constructs and describes a plan to improve physical performance and health.
5–6	The student: i. explains goals to enhance performance ii. designs and explains a plan to improve physical performance and health.
7–8	The student: i. develops goals to enhance performance ii. designs, explains and justifies a plan to improve physical performance and health.

Notes for criterion B

- Criterion B can be assessed through units that require students to inquire and plan. Examples include: composition of aesthetic movement routines (such as gymnastics, dance, sport aerobics, martial arts), fitness training programmes, coaching programmes, game creation and laboratory investigations (such as fitness, skill acquisition, energy systems).

Criterion C: Applying and performing

Maximum: 8

At the end of year 5, students should be able to:

- i. demonstrate and apply a range of skills and techniques effectively
- ii. demonstrate and apply a range of strategies and movement concepts effectively
- iii. analyse and apply information to perform effectively.

Achievement level	Level descriptor
0	The student does not reach a standard described by any of the descriptors below.
1–2	The student: i. demonstrates and applies skills and techniques with limited success ii. demonstrates and applies strategies and movement concepts with limited success iii. recalls information to perform.
3–4	The student: i. demonstrates and applies skills and techniques ii. demonstrates and applies strategies and movement concepts iii. identifies and applies information to perform.
5–6	The student: i. demonstrates and applies a range of skills and techniques ii. demonstrates and applies a range of strategies and movement concepts iii. analyses and applies information to perform.
7–8	The student: i. demonstrates and applies a range of skills and techniques effectively ii. demonstrates and applies a range of strategies and movement concepts effectively iii. analyses and applies information to perform effectively.

Notes for criterion C

- Criterion C must be assessed in **performance/playing situations**.
- A student's ability to demonstrate and apply **skills and techniques** could include: accuracy, efficiency, control, coordination, timing, fluency, speed and power.
- A student's ability to demonstrate and apply **strategies and movement concepts** could include: the use of space, force and flow of movement and adaptation to various situations.
- A student's ability to analyse and apply **information** to perform effectively could include: reading the situation, processing information, responding to feedback and making appropriate decisions. Depending on the nature of the activity, these sorts of characteristics should be considered.
- Criterion C is not appropriate for assessing replication of movement routines and umpiring/refereeing.
- Criterion C, strand iii (analyse and apply information to perform effectively) is not applicable for eAssessment.

Criterion D: Reflecting and improving performance

Maximum: 8

At the end of year 5, students should be able to:

- i. explain and demonstrate strategies to enhance interpersonal skills
- ii. analyse and evaluate the effectiveness of a plan based on the outcome
- iii. analyse and evaluate performance.

Achievement level	Level descriptor
0	The student does not reach a standard described by any of the descriptors below.
1–2	The student: i. identifies and demonstrates strategies to enhance interpersonal skills ii. outlines the effectiveness of a plan based on the outcome iii. outlines and summarizes performance.
3–4	The student: i. outlines and demonstrates strategies to enhance interpersonal skills ii. explains the effectiveness of a plan based on the outcome iii. describes and summarizes performance.
5–6	The student: i. describes and demonstrates strategies to enhance interpersonal skills ii. analyses the effectiveness of a plan based on the outcome iii. explains and evaluates performance.
7–8	The student: i. explains and demonstrates strategies to enhance interpersonal skills ii. analyses and evaluates the effectiveness of a plan based on the outcome iii. analyses and evaluates performance.

Notes for criterion D

- Criterion D is appropriate for assessing personal and social development in sports/performance leadership and officiating.
- This criterion is not appropriate for assessing plans for learning how to demonstrate isolated skills. For example, criterion D is not used to assess a student's plan for demonstrating an isolated skill such as tackling in rugby. However, it is appropriate to assess the effectiveness of a plan for improving defensive performance in rugby by developing a range of skills, strategies and techniques. In this situation, the student may plan to improve multiple areas such as strength, speed, cardiovascular fitness, tackling technique or formation in order to improve overall defensive performance.

Physical and health education glossary

Term	Definition
Aesthetic movement routines	A visually appealing way to sequence related physical actions.
(Un)familiar situation	(Un)known conditions or settings of which students have had (no) prior experience or knowledge.
Flow	Refers to the smoothness and continuity of movements and linking movements.
Force	Refers to the energy level of the movement.
Intramural activities	Competitions or activities held by the school.
Interscholastic sports	Sporting competitions or friendly meets held between schools.
(Non-) performance/ playing situation	A situation in which the student is (not) physically involved in game play (sports) or performance of an activity (movement routines).
Projectile motion	The movement of an object through space.
Skill	An ability acquired or developed through training or experience.
Strategy	A plan of action incorporating tactics designed to achieve an overall goal.
Tactic	A manoeuvre or action planned to achieve a specific goal.

MYP command terms for physical and health education

Command term	Definition
Analyse	Break down in order to bring out the essential elements or structure. (To identify parts and relationships, and to interpret information to reach conclusions.)
Apply	Use knowledge and understanding in response to a given situation or real circumstances. Use an idea, equation, principle, theory or law in relation to a given problem or issue.
Construct	Display information in a diagrammatic or logical form.
Define	Give the precise meaning of a word, phrase, concept or physical quantity.
Demonstrate	Make clear by reasoning or evidence, illustrating with examples or practical application.
Describe	Give a detailed account or picture of a situation, event, pattern or process.
Design	Produce a plan, simulation or model.
Develop	Improve incrementally, elaborate or expand in detail. Evolve to a more advanced or effective state.
Evaluate	Make an appraisal by weighing up the strengths and limitations.
Explain	Give a detailed account including reasons or causes. (See also "Justify".)
Identify	Provide an answer from a number of possibilities. Recognize and state briefly a distinguishing fact or feature.
Investigate	Observe, study, or make a detailed and systematic examination, in order to establish facts and reach new conclusions.
Justify	Give valid reasons or evidence to support an answer or conclusion. (See also "Explain".)
List	Give a sequence of brief answers with no explanation.
Outline	Give a brief account or summary.
Recall	Remember or recognize from prior learning experiences.
Solve	Obtain the answer(s) using appropriate methods.
State	Give a specific name, value or other brief answer without explanation or calculation.
Suggest	Propose a solution, hypothesis or other possible answer.
Summarize	Abstract a general theme or major point(s).
